Child Prevention Policy
- Prevention against physical or sexual assault / abuse -

**Agreement with day care centers , kindergardens and orphanges,
which are supported by
Auxilium, Gesellschaft für Entwicklungshilfe e.V.**

1. Auxilium guidelines for day care centers state
   that there must be no physical punishment of any kind.
2. In day care centers, kindergardens and orphanges
   the staff should never spend long periods of time alone with individual children.
3. The children are informed about their rights and have independant confidants.
4. Staff and guardians receive regular training and are aware of their responsibilities.
5. The responsible nurses or staff members are regulary
   visiting the children in their family environment
6. In case of long distances to the day care center, kindergarden or orphange,
   it is considered whether bicycles can be purchased or whether children should be brought to the distant insitiutions by school bus, so that the children do not travel long distances in the dark.

The person in charge of the day care center, kindergarden or orphanges undertake to comply with these preventive measures.
